SNACK ATTACK!

PUBLIC VENDING MACHINES NOW ON THE MAIN FLOOR

Strozier Library welcomes you to bring food and drink into the library.

To alleviate your hunger pains, Strozier now has a snack vending machine. It's located on the Main Floor, in the Annex (the back portion of the building). A soda vending machine will soon follow.

So like any good deal, there are just a few catches. Aromatic foods such as pizza, popcorn, etc. should be eaten in the main floor lobby area so as not to disturb others. Drinks should have a lid to help contain liquids in case of tipping over. After all, it's not just the Library property at risk, but your personal belongings as well.

To continue to provide a safe and clean environment, we ask that you remember to throwaway your trash.

REACHING OUT

WHAT ARE YOU GOING TO DO AFTER COLLEGE?

TEACH FOR AMERICA offers a leadership experience like no other. As you consider post-graduate options, think about the millions of children who may never have the chance to set foot on a campus like FSU. Children growing up in low-income areas are seven times less likely to graduate from college than their higher income peers. You can help end educational inequity and have an experience you'll want to live up to for the rest of your life. Apply to Teach For America over the break and start making an impact.

To apply and learn more, go to:

Final application deadline:

Feb. 15, 2008

To apply:

LATE NIGHTS @ STROZIER

YOU'RE IN WITH YOUR FSU ID!

Students are ecstatic that Strozier Library is open 24 hours, Sunday - Friday. Positive comments about this change, which gives FSU a

first amongst state institutions, are still pouring in.

To maximize this great benefit, staff will be checking for **FSU or state university/community college IDs from 2 - 7 AM.**

Students taking advantage of the late night hours must make having their FSU-Cards a priority! Leave it in your wallet; double-check before leaving your dorm or coming on campus.

Remember: No IDs; no access! SLEE
