NO COMPUTER? NO PROBLEM!

STROZIER NOW HAS LAP-TOP CHECKOUT FOR LIBRARY USERS

Ever can't find a computer when you need it? Want to kick back to write your papers instead of sitting up at a terminal? You're in luck; we now offer checkout of laptop computers. These laptops can be used in Strozier Library and you can have it for a 4-hour loan period.

Come to the service desk, where we'll get you set up. Please bring your FSU card and a second ID (driver's license is good) and we'll help you fill out a laptop loan agreement. Fill it out once and it's good for the whole semester.

You'll also get a copy of the laptop policy agreement--this explains everything about the laptop policy, how to connect to the wi-fi and printing needs.

ONE DESK, ONE GOAL

STROZIER NOW HAS A UNITED SERVICE DESK FOR LIBRARY USERS

Welcome back students! As you may have noticed, we have shaken things up a bit here in Strozier. One of the biggest changes is our new Integrated Service Desk. In an effort to make a 'one stop shopping' experience we have combined the Information Desk and Circulation Desk into one UBER DESK!! We have sprinkled in a dash of Technology and Media assistance also. All in all, this grand experiment is geared towards making your life easier, and creating a single point of contact for you when you need services and help.

At the new Integrated Service Desk

you will be able to:

Check out books, pick up Inter-Library Loan items, and pick up books that you have on Hold.

Check out books that were put on Reserve by your professors.

Check out DVDs, Laptops, and Group Study Room keys.

Receive Information and Reference assistance in minutes that will save you HOURS of research time!!

Lastly, keep an eye out for the new book drop just outside the entrance to the library! It should be showing up in the next few weeks. Until then, you can drop all of your books off on your way out at the Drop Boxes by the Exit (the former Circulation desk area). Let us know how we can help you succeed!

QUICK REMINDERS

- Both Strozier and Dirac libraries carry course reserves. Course Reserves are materials, such as books and videos, that instructors leave at the library for checkout. You can check out the materials for a two-hour time period to use inside the library. Feel free to make notes and study important information from them. When the two hours are up, just return the book back to the Service Desk. To help make the checkout process easier, have these items with you: the reserve item's title, instructor's name and the course number. For more on reserves, go to <http://www.lib.fsu.edu/services/materials/reserves>
- Are you an FSU student, staff or faculty member and interested in seeing your work up in Strozier? Good! The Artbrary is now accepting submissions for Fall 2008 exhibit. Contact Jason Smalley at smalley@fsu or 644-5425. You can also fill out an application online by going to: <http://www.lib.fsu.edu/services/programs/artbrary>
- Need to make notes or brainstorm while studying in the library? Grab a white board! These handy tools of learning can be a great way to organize thoughts and ideas. Also, be sure to check them for library announcements.
