FIND THE INFORMATION YOU NEED

It doesn't matter if you're writing a short paper, honors thesis, dissertation, or article, FSU Libraries have got you covered. Schedule an in-depth consultation with a subject specialist or drop in for assistance at any location.

We encourage **faculty and teaching assistants** to take advantage of customized instruction sessions, assistance navigating the academic publishing process and copyright, and—best of all—delivery of books and journal articles to their offices via the Library Express Delivery Service (lib.fsu.edu/services/led).

For more faculty and graduate student services, visit lib.fsu.edu/faculty and lib.fsu.edu/graduate-students-services.

GET TO KNOW RARE AND UNIQUE COLLECTIONS

Open the door to discover FSU's world-class **Special Collections and Archives**. Here you will find rare books, manuscripts, historic maps, and other extraordinary research materials (lib.fsu.edu/specialcollections).

OUR PREMIER COLLECTIONS INCLUDE:

- Napoleon and the French Revolution
- History of science
- Southern business history
- Florida Panhandle history
- A complete run of the Kelmscott Press
- Carothers Memorial Rare Bibles Collections →
- John M. Shaw Childhood in Poetry Collection

At **Claude Pepper Library** you'll have access to the personal and political papers of several Florida political leaders and organizations (lib.fsu.edu/pepper-library).

Heritage Protocol and University Archives are the repository for FSU History, with both official documents and those illuminating the student experience (heritage.fsu.edu).

Members of the Flying High Circus gather around a camera in their costumes before a show (1953).

NEED TECHNOLOGY? BORROW OURS

Access to technological resources and assistance means that your tech projects have never been easier. Brush up on document formatting, project design, and video/audio editing. Need a computer fast? Check which of our more than 600 PCs and Macs are available at Strozier or Dirac (lib.fsu.edu/services/computer-availability).

GEOSET Studios, located at Dirac, is the latest addition to the Global Educational Outreach for Science Engineering and Technology initiative. This video recording studio is an academic service provided for free to the entire University community and gives them a chance to showcase their work.
