CARE TUTORING & COMPUTER LAB

Main Website | Contact CARE | About CARE

Information Accurate as of 3-14-2020

CARE Lab Hours of Operation

Website

- Spring Break: 8:00AM – 5:00PM (No Services offered as a result of painting)
- March 23 – April 5: Hours: 8:00AM – 5:00PM, weekdays only.

Tutoring

- Online tutoring will be available through Zoom in highly used subjects: MAC 1105, MAC 1114, MAC 2311, CHM 1045, CHM 1046, PSY 2012, SGY 2010, BSC 1005
- Live tutoring for certain subjects. Recorded skills sessions for other subjects. Recorded sessions will be hosted on the CARE YouTube Channel. Math and Chemistry help sessions will be hosted on Zoom by tutors 3 times a week, schedule TBA.
- Grammar/Review of Writing Assignments: CARE will create a link to a Shared Drive for students to upload papers to be reviewed/critiqued by tutors remotely. All tutors will have a Zoom account if further editing discussions with the student are necessary.

CARE Computer Lab Operations

- The CARE Computer Lab will be closed over Spring Break
- As a result of lighting renovations to the facility, CARE may maintain closure of the Computer Lab space during the time period in which students are online, unless required by the Division of Student Affairs/Division of Undergraduate Studies.
- If required, the CARE Lab will open for students who are remaining on-campus during our amended operational hours within the CARE Lab for March 23 – April 5. CARE Computer Lab will have “staggered” computer use, so every other computer is operational to promote distance between students. Students will receive sterilization wipes to wipe down the computers before/after use.
