Dragon Naturally Speaking Training

To open the program:

- Double click on the Dragon Naturally Speaking Icon

Getting started:

- You will need a set of headphones and a microphone

For new users:

- Click on “Open User…”
- Click on the “New…” button.
- Enter your name
- Press the “Next >” button
- Follow the instructions on the screen.

For continuing users:

- Click on “Open User…”
- Click on the “New…” button.
- Find your name on the list and select it.
- Press the “Next >” button

Please allow yourself the time needed to do it properly. If you are not careful, it will not work very well.
